

## **ALL SAINTS WRITTLE**

### **CHRISTMAS TREE FESTIVAL and CRAFT FAIR**

**Saturday 9 December, 10am till 5pm**

**Sunday 10 December, 12 noon till 5pm and 10**

Now in its sixth very successful year, this extremely popular Christmas event has delighted all who have visited the church to witness the sparkling spectacle. Once again, this year we will have over 50 trees, individually designed and decorated making the medieval parish church come alive with festive glitter. It is expected that 2,000 people will visit over the 2 days and many of them will vote for their favourite tree. Alongside the trees there will a Christmas Hamper to be won and on Saturday the children can have their faces painted. On Sunday we have some live music, the Writtle Handbell Ringers and the Writtle Singers, to entertain you.

As well as the trees in church the **CHRISTMAS CRAFT FAIR** from 10am till 4pm on Saturday in the Christian Centre is packed with stalls selling crafts and Christmas goods. An opportunity for present buying and getting that something that is a little different. Also in the Christian Centre **Refreshments** are on offer on both days. There is parking in the village and as you get close to Writtle you will be guided in by yellow Festival signs.

Our reviews have been outstanding and the one that delighted this writer most was the lady who said she cannot imagine Christmas without a visit to the All Saints Christmas Tree Festival. So I invite you to come and see us and start your Christmas festivities in style.
